

SECOND CIRCULAR

We are pleased to announce that the 13th International Symposium on Antarctic Earth Science (ISAES 2019) will be held during July 22-26, 2019, at the Songdo Convensia in Incheon, Republic of Korea. The symposium aims to bring together Antarctic earth scientists from different areas in order to gather and highlight their outstanding expertise and ideas.

The official website of 13th International Symposium on Antarctic Earth Science (ISAES 2019) is opened (www.isaes2019.org). General information on ISAES 2019 and abstract submission is available now.

THEMES AND SESSIONS

On 13th International Symposium on Antarctic Earth Science (ISAES 2019), 25 sessions under 10 major themes are presented. Detailed information on themes and sessions is available at ISAES 2019 website.

ABSTRACT SUBMISSION

The Scientific Program Committee cordially invites you to submit abstract. Please submit your abstract at ISAES website no later than March 31, 2019. Guidelines on abstract submission is available at ISAES 2019 website.
